Kanboard Overview

The screenshot shows the Kanboard dashboard for a user named 'Test User'. The interface is dark-themed. At the top, there's a header with the user's name, a dropdown to 'Display another project', and notification icons. Below the header, there are two main navigation tabs: 'Project management' and 'My activity stream'. The 'Overview' section is active, showing a search bar and a list of projects. The first project is '#4 36C3' with 0 tasks in each category. The second project is '#2 rC3' with 52 transcription tasks, 0 timing tasks, 0 quality control tasks, and 0 finished tasks. A green message box at the bottom states 'There is nothing assigned to you.' The left sidebar contains links for 'Overview', 'My projects', 'My tasks', and 'My subtasks'.

Kanboard View in a Project

The screenshot shows the Kanboard interface for a project named 'rC3'. At the top, there is a header with the project name 'rC3', a dropdown menu 'Display another project', and notification icons. Below the header is a navigation bar with 'Overview', 'Board' (selected), and 'List' views. A search bar contains 'status:open'. The main area is divided into four columns: 'Transcription (51)', 'Timing', 'Quality Control', and 'Finished!'. The 'Transcription' column contains four task cards:

Amara

- ▶ Please use the "login with" feature, currently the account creation doesn't work reliably
- ▶ You can ignore the warning message concerning chars/sec (not the other ones though!)
- ▶ When doing Quality Control, please correct both the text and the timings in Amara
- ▶ Save your work regularly during a shift ("save draft")
- ▶ Only click "publish" if the QC is finished

What the subtitles should include

- ▶ Speaker identification (e.g. the person's name, "Herald", "Microphone 3")
- ▶ (Obviously) everything that's spoken
- ▶ Sounds you can hear in the video
- ▶ If you want you can add funny autotranscription fails to:
<https://subtitles.pads.ccc.de/Spracherkennungsfails>

How not to

Do not ...

- ▶ ... write your own opinion
- ▶ ... describe anything that happens poetically

Examples

- ▶ Mateerschütternder Applaus
- ▶ Mate-trembling applause
- ▶ Geile Musik
- ▶ wicked music

Coordination during RC3
